ITEM

Fee Schedule for Student Accident and Sickness Insurance.

BACKGROUND

Under current Board policy all full-time students are required to carry accident and sickness insurance, with the exception that sickness insurance may be waived under certain conditions. Accident insurance is mandatory for part-time matriculated students involved in university recognized or sponsored organizations' activities. Coverage is provided through the universities at a reasonable cost. Other students may avail themselves of the coverage.

ANALYSIS

American Phoenix Corporation of Connecticut was selected in February, 1999, to be the provider for the Student Accident and Sickness Insurance program for Academic Year 1999-00 with an option for Academic Year (AY) 2000-01 and 2001-02. The underwriter is the CNA Insurance Company of Chicago, Illinois. The original rate agreement for AY2000-01 called for a cap of no more than 7% over the AY1999-00 rates. American Phoenix has provided the rate schedule for AY2000-01, shown below. The renewal rates represent the full 7% increase allowed by the original rate agreement. This rate increase is impacted by Public Act 99-284, An Act Concerning Managed Care Accountability, which added several mandated coverages, resulting in increased costs for insurance carriers. Mandatory coverage will be provided through the universities. All other coverage will be obtained through American Phoenix Corporation.
