ITEM

Discontinue the Caribbean/Latin American Business Center at Central Connecticut State University.

BACKGROUND

The Caribbean/Latin American Business Center was established by BR 01-12 to promote Hispanic Business ownership and providing services to the Hispanic business community.

ANALYSIS

Despite its mission, the Center's level of activity was modest and the office was seldom staffed; since 2005, there has been no programmatic activity. The Center has no formal relationship with either the Center for Caribbean/Latin American Studies or the Center for International Education. Goals of the Center are currently being addressed by the Institute of Technology and Business Development.

Based on the foregoing, President Miller has recommended the discontinuation of the Center.

CHANCELLOR'S RECOMMENDATION

Approve the recommendation to discontinue of the Caribbean/Latin American Business Center at Central Connecticut State University, effective December 31, 2006
