AUTHORIZING RESOLUTION

concerning

Ten-Month Faculty Member Salary Anniversary Dates

October 4, 1968

RESOLVED, That (1) the salary anniversary date for ten-month State College faculty members be established on either the first day of September or the first day of February, whichever date occurs nearer to the faculty member's date of employment; and (2) that to be eligible for the initial anniversary salary increase the faculty member must have completed not less than one regular full semester of employment.

NEED FOR RESOLUTION: Under provision of P.A. 657 of the 1967 Session of the General Assembly, a standardized policy for anniversary salary increases for classified employees was established. The procedure relative to classified, as well as twelve-month unclassified, employees is contained in the State Personnel Department General Letter #119 dated April 5, 1968. The adoption of a standardized policy concerning anniversary salary increase dates for ten-month unclassified State College personnel is necessary.
