Dr. J. Eugene Smith, Executive Secretary
Board of Trustees for State Colleges
80 Pratt Street
Hartford, Connecticut 06103

Dear Dr. Smith:

Mr. Myrlon A. Farnham has made a gift of \$1012.00 to Southern Connecticut State College in the form of 253 feet of blue-stone curbing along Wintergreen Street in front of a section of State College property. This is a valuable contribution to the College since it does enhance the appearance of our campus and also will save the State more than a thousand dollars by the time this project would be completed in our long-range development plan.

I recommend, therefore, that the Board of Trustees at its September 1969 meeting accept this gift and authorize its Executive Secretary to acknowledge its acceptance with thanks and appreciation.

Cordially,

Hilton C. Buley

Dear Mr. Wargo:

Your address given at the Commencement Exercises at Southern Connecticut State College, on Saturday night, was superb. Your subject was well chosen and your delivery was excellent.

Your statements carried information and food for thought that should be taken to heart by many members of the faculty as well as the students.

I note that the Sunday issue of the New Haven Register gave it a good play. It merits broadcasting throughout the land.

Please accept my congratulations.

Sincerely yours,
