TO ALL MEMBERS OF THE CONNECTICUT STATE COLLEGES' COMMUNITY

This letter is written on behalf of the Trustees.

The attached draft of a proposed revision of the Personnel Policies was developed by the Personnel Policies Review Committee in consultation with Trustees, College Presidents, and members of the Central Office. It has been accepted by the Trustees only for purposes of study and discussion. It has not been considered for adoption by either the Board as a whole or by the Trustees' Committee on Personnel.

The draft is released at this time so that faculty members and other concerned persons may study it throughout the summer. During September and October the Trustees will hold hearings on each of the State College campuses. Thereafter the draft will be restudied in light of suggestions and criticisms. It is not possible to determine how much time will be needed to arrive at a final draft; however, the earliest possible date for Board approval is December, 1974. It is requested that all concerned persons save this draft for consideration and reference during the months ahead.

Speaking for the Trustees and myself, I wish all members of the State Colleges' community a pleasant and productive summer.
