Dear Mrs. Niejadlik,

On behalf of the faculty as represented by their department chairmen and the administrative staff of Western Connecticut State College, I request the Board of Trustees of the Connecticut State Colleges to confer on President Ruth A. Haas the title of President Emeritus. There are no words adequate to express the deep debt of gratitude that all of us at Western feel toward Dr. Haas both as a leader in our professional life and as a friend. We believe that she, above all others, deserves the Emeritus title and we will be most grateful if the Board of Trustees will take whatever action they deem appropriate to confer this title on her.

All of us at Western will greatly appreciate your efforts on behalf of this request.

Sincerely,

Gertrude Braun
Academic Dean

Dear Mrs. Niejadlik,

I want to thank you and the entire Board of Trustees for their generous act in granting me Emeritus status. I think you are very kind and generous.

I, of course, will always follow the activities of the college and our Board very closely. If there is a way I can be helpful, I will certainly make every attempt to do so.

Thank you most sincerely for your great understanding and your assistance in making my work easier. You have helped immeasurably to make life on the campus very much happier. I shall miss the people at the college very, very much and I shall also miss my contact with the Board members. I have always felt that each and every one was a friend.

My very best wishes to you for the success of all your hopes and dreams for the colleges.

Sincerely,

Ruth A. Haas
President
