Subj: GIFT OF EQUIPMENT FROM PERKIN ELMER CORPORATION

Date: October 7, 1976

Perkin Elmer has donated a \$4,000 piece of equipment to Biology. The machine, a Stain-O-Matic, is in good condition and good working order. The college's maintenance department picked up the machine on September 28, 1976 and delivered it to our department.

Mr. Tony Bedini was the company person who contacted us and I made the arrangements to get the machine. All Perkin Elmer wishes is a letter stating our appreciation for the gift and no mention of the monetary value.

Does the Board of Trustees send a letter to Perkin Elmer? I will write Mr. Bedini expressing the department's appreciation.
