Ms. Bernice C. Niejadlik, Chairman
Board of Trustees for the State Colleges
New Britain, Connecticut 06050

Dear Ms. Niejadlik:

May I express my sincere appreciation for the generous resolution passed on my behalf by the Board of Trustees on March 4, 1977. Indeed, the opportunity to complete a phase of the project with which I have been long involved should be reward enough.

In all candor, however, there yet remains much to be done in the generation and analysis of management information if the colleges and the system are concerned about clearer pictures and sharper profiles. Perhaps, if the Legislature will let us alone, I shall be able to be of further assistance in the future.

Sincerely,

George R. Muirhead
Assistant Vice President
Academic Affairs
