RESOLUTION

concerning

BOARD POLICY

April 1, 1977

- WHEREAS, The Trustees for the Connecticut State Colleges recognize the responsibility for recommending the proper location of a Technical College in the New Haven area properly rests with the Trustees for the State Technical Colleges, and
- WHEREAS, The State College Trustees recognize that many factors must be taken into consideration in determining the best location and that these factors have been studied by the Technical College Trustees for many months, therefore, be it
- RESOLVED, That the State College Trustees have full confidence that the Technical College Trustees will make a decision concerning the recommended location of the New Haven area Technical College based upon the best interests of the people of Connecticut, and be it
- RESOLVED, That should the Technical College Trustees find it useful to discuss the possible advantages in locating the New Haven Technical College at or near Southern Connecticut State College, the State College Trustees would be pleased to take part in such discussion, and be it further
- RESOLVED, That the State College Trustees recognize the difference in the missions of the Technical Colleges and the State Colleges and, for this reason, believe that should a Technical College and a State College exist at the same location it would be necessary to maintain the separatism of their administrations and their faculties.
