## RESEARCH COORDINATOR

### ADMINISTRATOR III

The Research Coordinator will develop and maintain information files on public and private funding sources and will be responsible for dissemination of this information to the College Community; will furnish direct assistance to faculty members and others seeking research funding, including grant proposal preparation; and will be responsible for the preparation of reports required of the College on these sources of funding. The Research Coordinator will also conduct applied regional research and will assist in the preparation of planning studies and reports.

Candidates should have five (5) years experience in grant preparation and administration, or in a related field as well as effective verbal and oral skills. Master's degree required. Minimum salary \$17,407.

Applications should be sent to:

Personnel Office Western Connecticut State College 181 White Street Danbury, Connecticut 06810

Applications must be received by:

We are an Affirmative Action/Equal Opportunity Employer
