RESOLUTION

concerning

Vacation Rate Change
for
Connecticut State College Unclassified Personnel
Holding 12-Month Appointments
Prior to June 30, 1972

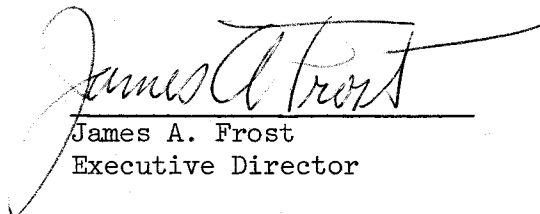

October 6, 1978

- WHEREAS, The Board of Trustees for the Connecticut State Colleges on being established by Legislative action in 1965 inherited from the State Department of Education a policy on the rate of vacation for unclassified personnel holding 12-month appointments, that policy allowing 22 days of vacation per year, and
- WHEREAS, The Trustees, on November 12, 1965, confirmed as their own policy the 22 day rate, and
- WHEREAS, Legislative action in 1967 as interpreted by the Attorney General, the Personnel Commissioner, and the Comptroller over the years 1967 through 1972 created confusion about the appropriate rate of vacation for unclassified personnel which resulted in varied patterns on the campuses, and
- WHEREAS, Personnel Policies, prepared by the Trustees' Personnel Committee and passed by the Board April 5, 1968, continued as vacation policy the 22 day rate, and
- WHEREAS, The copy of the new Personnel Policies distributed to the campuses and dated September 1968 reflected a revised vacation policy of "21 consecutive calendar days or its equivalent" which provided 15 days instead of the 22 days approved in the April 5 copy, and
- WHEREAS, There is no evidence of any action by the Trustees to confirm as policy the change in vacation rate from 22 days to 15 days as reflected in the policies distributed, and
- WHEREAS, Legislative action in 1972 effectively revised the legislation of 1967 which had created confusion about the appropriate rate of vacation stating that prior to July 1, 1972, vacation for unclassified personnel would be at that rate authorized by the Board of Trustees. Therefore, be it

RESOLVED, That the Board of Trustees herewith confirms that the rate of vacation was not effectively changed in 1968 from 22 days to 15 days, and thus be it further

RESOLVED, That the Board hereby authorizes the Executive Director, in conjunction with the College Presidents, to implement the recovery of the additional days of vacation, up to a maximum of seven (7) days per year rightfully due those unclassified State College employees on 12 month appointment prior to July 1, 1972, and where necessary authorize the Executive Director and the College Presidents to extrapolate in each individual case where the surviving attendance record does not evidence the 22 day rate rightfully due.
