Dear Dr. Jestin:

The Trustees very much appreciate your contribution to the work of the Table Team. It was a grueling task made more difficult by the fact that you also were responsible for your regular duties at Central Connecticut State College. As a token of appreciation for your work the Trustees passed a resolution granting you a five-day leave of absence with pay. A copy of the resolution is enclosed.

I wish to add my own word of appreciation to that of the Trustees. You carried out a very difficult assignment with great skill. I am pleased to have you as a colleague.

Sincerely,

James A. Frost
