Dear Dr. Fleckenstein:

WOR-TV is happy to be able to donate two color studio cameras, complete with lenses and camera-control units, as well as several hundred feet of TV-81 Cable, to Western Connecticut State College for use in its Telecommunications Curriculum.

For your records, each complete camera package would carry a dollar value of \$8,300 (the cable cost included), making our total donation \$16,600 in value.

We're delighted that you feel the equipment will provide useful "hands-on" experience to your students.

Sincerely,

Marsha Kaminsky
