CENTRAL CONNECTICUT STATE COLLEGE
Campus Traffic and Parking Regulations
September, 1980
(Short Form)

INTRODUCTION

This pamphlet summarizes the traffic and parking regulations* for the campus of Central Connecticut State College and includes a campus map. The regulations have been promulgated in the interest of the safety and convenience of the members of the College community as well as visitors to the campus.

The following regulations and applicable Connecticut Statutes apply at all times to all persons and vehicles on the College campus. If necessary, violations of any of these regulations will be prosecuted by the College through the appropriate court.

1. REGISTRATION

1.1 STUDENTS

All motor vehicles operated or parked on the campus by college students are to be registered annually with the Central Police Department. Each student vehicle must display its assigned registration (parking) decal on the inside lower right (passenger) side of the rear windshield at all times. Registration is completed when decals are affixed to registered vehicles. Proper registration and operation of motor vehicles in accordance with these regulations is a condition of continued enrollment as a student.

1.2 FACULTY AND STAFF

All motor vehicles operated or parked on the College campus must be registered with the College Police. Parking decals must be displayed on the car at all times in accordance with directions supplied with the decal. During recess and intersession periods, staff registered vehicles may park in any lot other than in "Reserved" spaces.

1.3 DELIVERY AND SERVICE VEHICLES

All vehicles being operated on the campus with regularity (e. g. , those of contractors, vendors and sales or service representatives) are required to be registered with the College Police and appropriate passes will be issued. Passes must be displayed when parking on campus.

1.4 VISITORS, GUESTS AND CONFERENCE GROUPS

Visitors to and guests of the College should be directed to the College Police Department upon arrival on campus. Here they will be provided with the necessary temporary credentials for parking and whatever additional information or directions they may need. College employees can make advance arrangements for visitors with the Police. Parking for conference groups should also be arranged in advance with the Police. (Notice of such conferences should be made at least 10 days in advance to avoid possible confusion and embarrassment).

* Copies of the complete regulations are available on request from the College Police Department

All parking on the campus is by permit only. This applies to all visitors and guests of the College as well as to all members of the College community itself. All motor vehicles must be parked in a properly designated parking space. Parking in a manner to constitute a hazard may result in towing of the vehicle at the owner's expense.

The issuance of a parking permit (decal) does not guarantee the registrant a reserved space, only an opportunity to park in specified areas.

In all cases, a parked motor vehicle must be positioned to be within the marked boundaries of a parking space.

3.2 REGULATIONS

The responsibility for finding a legal parking space rests with the motor vehicle operator. Lack of space in any lot or other parking area is not considered a valid excuse for violations of these regulations.

All motor vehicles must be parked within the boundaries of the parking space. Other vehicles parked improperly shall not constitute an excuse for improper parking.

Students are not allowed to park cars on campus from 1 a. m. to 7 a. m. except those who live in college residence halls.

3.3 PARKING GARAGE HOURS

Open 7 a. m. to 11:30 p. m.

3.4 LOADING ZONES

Resident students are permitted to utilize their residence hall loading zones for the purpose of loading and unloading personal belongings. Such use shall not interfere with College services (e. g. , food deliveries and refuse collection). Such use shall not exceed FIFTEEN (15) minutes. This regulation will apply throughout the year.

3.5 RESIDENCE HALLS

Parking for students living on campus is handled by the College Police Department. Car registration is required.

4. PENALTIES, PAYMENTS AND APPEALS

Checks must be made payable to Central Connecticut State College and may be mailed to or paid at the Cashier's Office. Cash payments will be accepted only at the Cashier's Office. Fines must be paid within 14 days of receipt of a violation notification or the fine is doubled automatically.

5. BICYCLE OPERATION

5.1 Bicycle operators must keep to the right side of the roadway and are subject to the same traffic regulations governing the operation of automobiles (e. g. , stop signs, traffic lights, and one-way street designations).

5.2 Pedestrians have the right-of-way on sidewalks and other pedestrian areas.

5.3 Bicycles being operated during the hours of darkness must also be equipped with a light on the front of the bicycle and a reflector on the rear.

5.4 The College Police provide a bicycle registration service, free of charge, to any member of the College Community. This type of registration can be an invaluable aid toward recovery if a registrant's bicycle is stolen.

6.2 Persons who violate any provision of the state littering law (Public Act 74-262, Section 4) may be fined ten dollars for the first offense and not more than one hundred dollars for each subsequent offense.
