concerning

by

THE CONNECTICUT BOARD OF HIGHER EDUCATION

March 6, 1981

- WHEREAS, On January 27, 1981, the Board of Higher Education passed a resolution directing its staff to develop revised procedures and a new questionnaire directed at achieving a more equitable and efficient process for the review and licensure of new programs, and
- WHEREAS, The Trustees of the Connecticut State Colleges support the objective of making program approval procedures more equitable and efficient, and wish to offer suggestions and comments on the proposed changes, and
- WHEREAS, There has not been sufficient time for State College staff to analyze the proposed revisions and to discuss them with the appropriate Trustees' Committees, therefore, be it
- RESOLVED, That the Board of Trustees for the Connecticut State Colleges instructs its Executive Director to request the Board of Higher Education to postpone final action on the revision of the program approval procedures and questionnaire until its April meeting so that a greater opportunity is afforded for the staff and the members of both Boards to discuss the revision more fully, and be it
- RESOLVED, That the Board of Trustees for the Connecticut State Colleges expresses the conviction that consideration of pending program proposals should not be delayed by the effort to improve the efficiency of the program approval process.
