## Proposal:

To reclassify the existing Administrator II to an Administrator III with a change in duties and compensation.

## Summary:

This reclassification from Administrator II to Administrator III (V new) is necessary to reflect the increased duties and responsibilities assigned to the incumbent. It carries with it a ten percent increase in annual salary from \$22,334 to \$24,567. The attached old and new job descriptions outline the changes in duties. The assignment of greater duties and responsibilities has been necessitated by the consolidation of Title XX under the incumbent and the great expansion of cooperative education grant activity and other special projects.
