#### RESOLUTION

#### STUDENT SICKNESS INSURANCE

February 6, 1981

WHEREAS, The rising cost of medical care can be a threat to students' ability to complete a college education if they experience serious illness during their years of enrollment in college, and

WHEREAS, The cost of medical care for sickness can be a special burden to foreign students (those on temporary visas) who often have very limited personal resources, who have no local families to sustain them, and who are not eligible for public welfare, therefore, be it

RESOLVED, That the Trustees will make it possible for students paying General Fund tuition in the Connecticut State Colleges, other than foreign students, to choose to purchase sickness insurance under a group plan which takes advantage of the joint buying power of participating students and which permits such students who are married to choose in addition to purchase similar insurance for their spouses and dependents, and be it

RESOLVED, That foreign students on temporary visas who pay General Fund tuition shall be required to pay a Foreign Student Medical Insurance Fee to defray the cost of such sickness insurance coverage as is contracted for by the Connecticut State Colleges, and be it

RESOLVED, That the sickness insurance coverage contracted for the Connecticut State Colleges for foreign students on temporary visas shall be at least as extensive as the coverage offered to non-foreign students on an optional basis and that foreign students who are married shall also be able to choose to purchase similar coverage for their spouses and dependents, and be it

RESOLVED, That this Resolution supersedes and repeals Resolutions 73-70 and 79-14.
