SATISFACTORY PROGRESS TO MAINTAIN
FINANCIAL AID ELIGIBILITY

Students receiving financial assistance under the federally supported Title IV Programs must comply with the following set of standards to be eligible for such assistance.

- A. Quality of academic performance: Students must be matriculated and must maintain that quality of academic performance required to remain a matriculated undergraduate or graduate student in the university.
- B. Speed of completion of the Bachelor's degree objective, i.e., satisfactory progress:
 - 1. For full-time undergraduate students, satisfactory progress is defined as the successful completion of a minimum of 24 semester hours of academic work in each 2 semester period of enrollment. Non-credit developmental courses recommended by the student's academic adviser shall count on a semester-hour equivalent basis determined by the University as a part of the 24 semester hours specified above. Failed courses or audited courses will not be counted. Students will be limited to receipt of financial assistance for up to 10 semesters of full-time attendance or until the student is certified for graduation by the university, whichever comes first.
 - 2. For part-time undergraduate students, satisfactory progress is defined as the successful completion of a minimum of 12 semester hours of academic work in each 2 semester period of enrollment. Non-credit developmental courses recommended by the student's academic adviser shall count on a semester-hour equivalent basis determined by the university as part of the 12 semester hours specified above. Failed courses or audited courses will not be counted. Students will be limited to receipt of financial assistance for up to 20 semesters of part-time attendance or until the student is certified for graduation by the university, whichever comes first.
- C. Speed of completion of the graduate objective, i.e., satisfactory progress:
 - 1. For full-time graduate students, satisfactory progress is defined as the successful completion of a minimum of 18 semester hours of academic work toward completion of a graduate degree or planned program in each 2-semester period of enrollment. Failed courses or audited courses will not be counted. Students will be limited to receipt of financial assistance for up to 4 semesters of full time attendance or until the student is certified for program completion by the university, whichever comes first.

2. For part-time graduate students, satisfactory progress is defined as the successful completion of a minimum of 12 semester hours of academic work toward completion of a graduate degree or a planned program in each 2 semester period of enrollment. Failed courses or audited courses will not be counted. Students will be limited to receipt of financial assistance for up to 8 semesters of part-time attendance or until the student is certified for program completion by the university, whichever comes first.
-
- D. Students who do not attain the above levels of satisfactory progress may complete the needed hours in summer session or during the regular academic year without Title IV financial assistance. Having brought themselves up to the number of hours which would have been required for satisfactory progress at the end of the semester when they lost this status, they will again be eligible to apply for financial aid.
 - E. Upon presentation of evidence of medical emergencies or other legitimate personal or family exigencies, students who have been denied financial assistance under this policy may appeal to the campus officer designated by the President.
 - F. Guaranteed Student Loan Program - In addition to the above criteria governing Title IV Programs, a student borrowing under the Guaranteed Student Loan Program is limited to \$2,500 per class level. The university determines a student's class level by the number of successfully completed credits, that is, an undergraduate student is classified as a freshman with 0-29.5 credits, a sophomore 30-59.5 credits, a junior 60-89.5 credits and a senior 90 or more credits. Graduate students may borrow a maximum of \$5,000 per class level. Class level for graduate students is defined as follows: 1st level, 1-17.5 semester hours; 2nd level, 18-35.5 semester hours; 3rd level, 36-53.5 semester hours; 4th level, 54-71 semester hours.
 - G. Title IV Programs are:
 1. Pell Grant
 2. Supplemental Educational Opportunity Grant (SEOG)
 3. College Work-Study Program (CWSP)
 4. National Direct Student Loan (NDSL)
 5. Guaranteed Student Loan Program (GSLP)
 6. State Student Incentive Grant (in CT., SSGP)

SATISFACTORY PROGRESS POLICY

Students receiving financial assistance under the federally-supported Title IV programs must comply with the following set of standards to remain eligible for such assistance:

- A. Quality of academic performance sufficient to remain matriculated in College.
- B. Speed of completion of the Bachelor's degree objective, i.e. Satisfactory Progress.
 1. For full-time students Satisfactory Progress is defined as the successful completion of 24 semester hours of academic work in each 2-semester period of enrollment. Non-credit developmental courses recommended by the student's academic advisor shall count on a semester-hour equivalent basis determined by the College as a part of the 24 semester hours specified above. Non-credit developmental courses recommended by the student's academic advisor shall count on a semester-hour equivalent basis determined by the College as part of the 12 semester hours specified above. Failed courses or audited courses will not be counted.
 3. Standards of Satisfactory Progress which depart from the above may be defined by campus authorities for special programs for the disadvantaged which contemplate a slower progress for an initial period of enrollment. Students in such special programs will be required to attain Satisfactory Progress thus defined during the period of enrollment in the program.
 4. Students who do not attain the above levels of Satisfactory Progress may complete the needed hours in summer session or during the regular academic year without Title IV financial assistance. Having brought themselves up to the number of hours which would have been required for Satisfactory Progress at the end of the semester when they lost this status, they will again be eligible for financial aid.
 5. Upon presentation of evidence of medical emergencies or other legitimate personal or family exigencies, Deans of Students may waive Satisfactory Progress standards for a definite period of time.
