## MEMORANDUM

**To:** Dallas K. Beal, President  
Connecticut State University

**From:** John W. Shumaker *JWS*  
President

Dear Dallas,

On behalf of our faculty and students, I request that the Board of Trustees confer upon Mr. Rainer Dieterich the lifetime title Honorary Professor at Central Connecticut State University. In so doing, I have accepted the recommendations of the Department of Psychology and the Dean of Arts and Sciences that Mr. Dieterich be honored with this distinction. A draft Resolution and supporting material is attached for your consideration.

Mr. Dieterich has been an important figure in the developing relationship between the University and institutions and colleagues in the Federal Republic. He has published widely in the field of educational psychology. He has taught with distinction at Central Connecticut. His warm friendship with the City of New Britain was recognized formally in 1984 when he was named an Honorary Citizen of New Britain.

Mr. Dieterich and other important German colleagues will visit our campus in late January of 1990. I would like to present him with a certificate commemorating his selection as an Honorary Professor at that time. I hope we can receive Board approval at its January meeting.
