RESOLUTION

concerning

TELECOMMUNICATIONS REVOLVING ACCOUNT IN AUXILIARY SERVICES FUND

November 2, 1990

WHEREAS, The Board of Trustees for the Connecticut State University, the Board of Governors of Higher Education and the state Office of Policy and Management have endorsed the CSU Long-Range Telecommunications Project, and

WHEREAS, Start-up monies are needed to implement the Telecommunications Project, which will operate as a special revolving account within the Auxiliary Services Fund and be administered from the Executive Office through service charges to operating funds at the campuses, and

WHEREAS, The approved Tuition Fund spending plan for FY1990-91 designates the transfer of \$2 million in reserves for the initiation of the Telecommunications Project, be it

RESOLVED, That a special revolving account within the Auxiliary Services Fund be established for Telecommunications operations with the transfer of \$2 million from the Tuition Fund reserve balance.
