

RESOLUTION

authorizing

THE ACQUISITION OF AN OFF-CAMPUS FACILITY IN  
CONJUNCTION WITH THE MANUFACTURING APPLICATIONS CENTER

JULY 23, 1993

- WHEREAS, The Institute for Industrial and Engineering Technology, The Center for Technical Training, The Manufacturing Applications Center, The Procurement and Technical Assistance Center, and the Center for Flexible Manufacturing Networks was established at Central Connecticut State University on July 23, 1993, and
- WHEREAS, The grant application for the Manufacturing Applications Center identifies the need for funds to purchase a suitable facility in New Britain, and
- WHEREAS, Connecticut State University and Central Connecticut State University conducted an investigation of available buildings for sale in New Britain, and
- WHEREAS, The building known as Bank Plaza located at 185 Main Street in New Britain, Connecticut best meets the needs of the programs identified above, and
- WHEREAS, The Department of Public Works at the request of Connecticut State University conducted a survey of 185 Main Street to determine existing conditions and to evaluate the cost of building modifications required to accommodate the programs, and
- WHEREAS, The Department of Public Works has completed a real estate appraisal for 185 Main Street to determine an appropriate purchase price for the building, and
- WHEREAS, It has been determined that the expected cost to purchase and alter the building known as Bank Plaza located at 185 Main Street to meet the programmatic needs of the Institute for Industrial and Engineering Technology falls within the budget associated with the Manufacturing Applications Center grant, therefore be it
- RESOLVED, That the Board of Trustees for the Connecticut State University system authorize the President of the system to work with appropriate State agencies to acquire the property known as Bank Plaza, 185 Main Street, New Britain, Connecticut, which will house the Manufacturing Applications Center and associated operations.
