SUBJECT: **REVISED Staff Report - Fee Schedule for Student Accident and Sickness Insurance**

Attached for your information is a revised staff report concerning the fee schedule for student accident and sickness insurance.

During a review of the staff report that accompanied the Board action on mandatory student accident and sickness insurance, the rates cited for the *spouse accident and sickness insurance* were incorrectly shown (i.e., \$261, \$97, \$147). The correct rates are highlighted on the revised staff report (i.e., \$428, \$261, \$261).

No Board action is required as a result of this correction. The resolution adopted by the Board did not address these rates, but only the rates charged students for their own coverage. The spouse accident and sickness insurance is an option offered by the company for those married students who choose to avail themselves of this coverage.

In addition to the above, the first WHEREAS of the resolution which reads CGS-19a-99, should read *CGS-10a-99*.

Please discard the staff report provided to you previously. If you have questions on this matter, please contact me.

Fee Schedule for Student Accident and Sickness Insurance

BACKGROUND

Under current Board policy all full-time students are required to carry accident and sickness insurance except that sickness insurance may be waived under certain conditions. Accident insurance is mandatory for part-time matriculated students involved in university recognized or sponsored organizations activities. Coverage is provided through the universities at a reasonable cost. Other students may avail themselves of the coverage.

ANALYSIS

American Phoenix Corporation of Connecticut was recently selected as the provider for the Student Accident and Sickness Insurance program for Academic Year 1997-98 with an option for Academic Year (AY) 1998-99.
